The Scholarship Extravaganza has raised over \$1,500,000 since 2006 for Houston-area accounting students.

The Houston TSCPA Foundation began raising money for scholarships when the Texas State Board implemented a requirement that all CPA candidates must complete 150 hours of education prior to sitting for the exam. In order to obtain the hours needed, students typically must attend a 5th year of college to meet the requirements and the Foundation wanted to help students who may be unable to financially

The Scholarship Extravaganza honors local CPAs who have deeply impacted the accounting profession.
